

THE OUTLOOK

OF THE U.S. MIDDLE MARKET LENDING IN 2018

Carl Marks Advisors recently surveyed 190 participants from the U.S. middle market lending field, including traditional bank lenders, alternative lenders, legal and accounting advisors, restructuring advisors, private equity and hedge fund investors, and other financial and business consultants, to share their perspectives on the outlook of U.S. middle market lending in 2018.

HERE ARE SOME KEY FINDINGS
